

Almond Milk with a Kick

It's great all year long. If it's summer and you want to drink this cold, just pour it over ice. If it's in the winter and you want it warm, just heat slowly in a saucepan over medium heat and finish off with a drizzle of honey on top.

Ingredients

- 2 tablespoons of unsweetened organic almond butter
- ¼ teaspoon of turmeric
- ¼ teaspoon of cinnamon
- ¼ teaspoon ground ginger
- Dash of freshly ground pepper
- 1 teaspoon Kulp Local Honey

Directions

In a blender, add 1 cup of water and all of the other ingredients. Blend until smooth and frothy.
